Sydney (via Skype)	6:30-7:30 am	Skype H.O.W. SLAA Basic SLAA Text/Handbook	This meeting is focussed on the steps and stories as contained in the SLAA basic text. To join the meeting: - add SLAA SYDAU as a contact on Skype - Once you are contacts, send a message to SLAA SYDAU asking to join the meeting before 6:30am and you will be added to the call (please do not call the host). N.B. When you get added to the SKYPE meeting please make sure all your phones are switched off or on silent (unless you are using your mobile phone to join the call), and please mute your microphone on Skype. You do this on Skype by opening up the drop down menu called call and selecting the mute option. When you are asked by the chairperson if you would like to share please then un-mute your microphone using the call drop down menu and start speaking. When you have finished please re-mute your microphone. Please pass the message on to others who may benefit.
